This term at Kinlochleven Nursery, we have been focusing on 2 exciting topics:

1. "All about me" and
2. "Autumn".

We have been taking part in lots of teamwork activities while learning about our bodies, our feelings and how we can keep ourselves safe.

We have enjoyed group discussions about our families and have created drawings of our families.

We have had lots of fun exploring autumn through messy and sensory play, investigating different textures, colours and materials while also learning about the changes we see in our local environment while out on daily walks. Using a variety of loose parts and natural materials, we enjoyed making nests and homes for animals.

To develop our literacy skills, we have been learning lots of autumn songs and have enjoyed singing and learning together. It has been a busy and exciting term filled with fun, learning, creativity and lots of opportunities to work together!

Flower Show

P1-3 took part in the Glencoe Flower Show art competition, where everyone created their own unique paper flower bouquets.

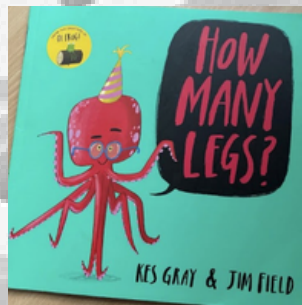

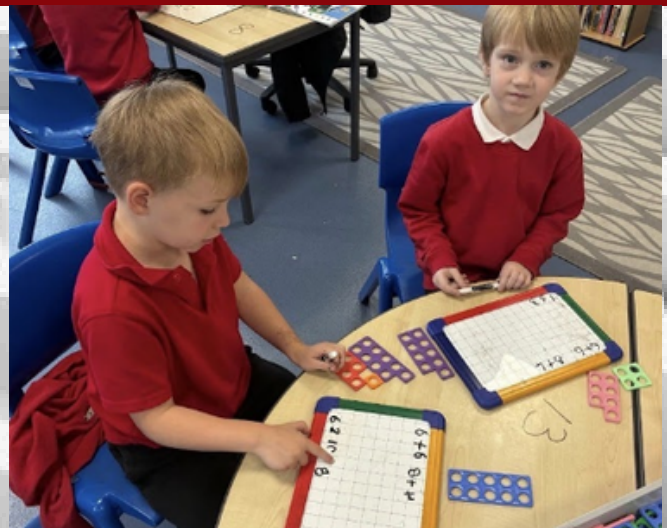

We were delighted to see lots of our pupils receive Highly Commended certificates, with a special congratulations to our winner, Geo!

P1-3 TERM 1

Maths Week Scotland

We took part in lots of fun activities to celebrate Maths Week Scotland, including a shape hunt, number dancing and counting races. However, the class favourite was a challenge inspired by the book *How Many Legs?* We worked in groups to figure out how many legs were at the party, using our maths skills and teamwork to solve the problem!

P1-3 TERM 1

Outdoor Learning

On a Friday afternoon P1-3 have been doing some outdoor learning activities. We have been outside looking at and exploring nature. This photo shows the class holding their 'Natures Palettes.'

P1-3 TERM 1

World Stone Skimming Championship

**Under 10
Girls
Champion**

Eleanor

P1-3 TERM 1

World Accordion Day

P4-7 celebrated World Accordion Day by getting to play an accordion.

They found it tough to move the bellows in and out whilst getting the accordion to make a noise.

P4-7 TERM 1

PE Focus Balance

P4-7 have been having fun in their PE sessions this term by exploring different ways they can balance using either one, two or three body parts touching the ground.

P4-7 TERM 1

Lochaber Schools Cross Country Competition

Some of P4-7 took part in the Lochaber Schools Cross Country Competition.

They used some of their PE time to practice running the full distance. The distance they had to run was 1 ½ miles which is the equivalent to 25 laps around their football pitch.
